

GROWLER REFILL STATION

IMPORTANT INFORMATION ABOUT GROWLERS AND HOWLERS

- **SLGA staff will be happy to refill your growler and/or howler.**
- **All bottles must have a secured cap, cap seal, and a neck tag before leaving the growler station.**
- **We will gladly fill any non-SLGA growler or howler as long as it has a cap that properly fits. We will need to place a cap seal and a neck tag on the bottle.**
- **Growler and howler bottles will only be filled to their maximum allowed capacity.**
- **Only clean, non-damaged growlers and howlers will be filled. SLGA staff members can refuse to fill a bottle at their discretion.**
- **Samples are available to a maximum of 0.5 (one-half) ounce per product.**
- **There are no returns or exchanges on growler or howler bottles.**
